Come join us as we build character in our youth through hard work, team building and fun. Investing in our youth is an investment in our future!

Longer Version with More Details

We made a BIG decision to change our registration and management system that streamlines the process, helps organize camper information, and provides flexibility for our families.

How does it work you ask?

The best way to describe it is how new-age arcades work.

No more one quarter at a time business.

Buy a plastic card, load up however many credits you need and play all the games you like.

With this cool system, you buy credits and apply them to the days or weeks of your choice.

Do I have to pay it all up front?

No way!

We have created several payment options providing you with the choice of making a minimum deposit, monthly payments, or half now/half later.

If you have any questions, do not hesitate to reach out to me directly at Mitch@SandlotNH.com.

Looking forward to seeing you and your children this Summer!
